Docket No. 2003-529

August 21, 2003

CENTRAL MAINE POWER COMPANY
Request for Approval of a Special Rate
Contract with Saunders Manufacturing
(Third Amendment)

ORDER APPROVING
CONTRACT

WELCH, Chairman; DIAMOND and REISHUS, Commissioners

SUMMARY OF DECISION

By this Order, the Commission approves Central Maine Power Company's (CMP's) proposed Third Amendment to its customer service agreement (CSA) with Saunders Manufacturing.

DISCUSSION AND DECISION

On July 18, 2003, CMP filed with this Commission a proposed Third Amendment to its CSA with Saunders Manufacturing. Pursuant to Attachment 6 of the ARP 2000,¹ contracts with terms no more than one year beyond the term of the ARP; that are not anti-competitive or unduly discriminatory; that provide annual, usage-sensitive revenues in excess of annual, usage-sensitive marginal costs; and that provide total revenues in excess of the Company's total marginal cost floors plus an adder over the term of the contract, go into effect automatically 30 days after they are filed. This contract complies with the provisions of the ARP and would go into effect automatically on August 17, 2003. However, the Company has requested that it be effective on July 2, 2003. In order to become effective on this date, this contract requires Commission review and approval.

We have reviewed the contract and find that there is no significant risk to CMP's other customers as a result of this Agreement. Therefore, we will allow the CSA to go into effect on the date requested by CMP.

Accordingly, we
